

# CONTENTS OF VOLUME 1

Aitken, W. C., Jr. See Ellen, P. (2)	
Andreassi, J. L., Mayzner, M. S., Stern, M., & Okamura, H. Visual cortical evoked potentials under conditions of apparent motion . . . . .	118
Angelo, W. L. See Rosen, E. F.	
Bates, T. W. See Means, L. W.	
Baum, M. See Leclerc, R.	
Becker, M. See Pearlman, C.	
Belenko, S., & Woods, S. C. Physiological correlates of ethanol self-selection by rats . . .	155
Belknap, J. K., Waddingham, S., & Ondrusek, G. Barbiturate dependence in mice induced by a simple short-term oral procedure . . . . .	394
Best, P. J. See Lindsey, G. P.	
Bohlin, G. The relationship between arousal level and habituation of the orienting reaction . . .	308
Bowman, R. E. See Sackett, G. P.	
Braggio, J. T. See Ellen, P.	
Braud, W. G., & Hoffman, R. B. Response facilitation and response inhibition produced by intracranial injections of brain extracts from trained donor goldfish . . . . .	169
Braun, J. J., & McIntosh, H., Jr. Learned taste aversions induced by rotational stimulation . .	301
Brummel, K. See Peretti, P. O.	
Buchsbaum, M. See Landau, S. G.	
Buckalew, L. W. Relationship between a physiological and personality index of excitability . . . . .	158
Bush, H. See Prado-Alcala, R.	
Butler, P. E. See Salamy, A.	
Capobianco, S. See Hamilton, L. W.	
Carey, R. J. Disruption of timing behavior following amphetamine withdrawal . . . . .	9
Chalmers, D. V., & Hoffman, H. S. Cardiac and startle responses to acoustic stimuli in the rat .	74
Cicala, G. A. See Plumer, S. I.	
Cole, S. O. Amygdala lesions: Differential effects on activity and reactivity to light of rats . . .	284
Corwin, T. M., & Stanford, A. L., Jr. Increased susceptibility to audiogenic seizure resulting from injection of brain extract from acoustically primed mice . . . . .	324
Coutant, L. W. Association cortex lesions and stimulus generalization in cats . . . . .	177
Cox, V. C. See King, J. M.	
Daniel, H. J., Means, L. W., Dressel, M. E., & Loesche, P. J. Otitis media in laboratory rats .	7
Deaux, E., & Engstrom, R. The temperature of ingested water: Its effect on body temperature	152
Deaux, E., & Engstrom, R. The temperature of ingested water: Preference for cold water as an associative response . . . . .	257
Dempsey, G. L. See Keyes, J. B.	
Doolittle, J. H. See Ward, J. E.	
Dressel, M. E. See Daniel, H. J.	
Eirick, R. See Lyons, J.	
Ellen, P., & Aitken, W. C., Jr. Analysis of DRL responding by rats with septal damage . . . . .	16
Ellen, P., Aitken, W. C., Jr., & Stahl, J. M. Pretraining effects on the DRL performance of rats with septal lesions . . . . .	380
Ellen, P., & Braggio, J. T. Reactions to DRL schedule change in rats with septal damage . .	267
Engstrom, R. See Deaux, E. (2)	
Enns, M. P., & Remley, N. R. Effects of activity on the rate of barpressing by rats . . . . .	115
Erickson, C. J. See Lambe, D. R.	
Etscorn, F. Effects of a preferred vs a nonpreferred CS in the establishment of a taste aversion . . . . .	5
Etscorn, F., & Stephens, R. Establishment of conditioned taste aversions with a 24-hour CS-US interval . . . . .	251
Fibiger, H. C. See Phillips, A. G.	
Freeman, F. See Kramarcy, N.	
Gabriel, M., Wheeler, W., & Thompson, R. F. Multiple-unit activity of the rabbit cerebral cortex in single-session avoidance conditioning	45
Gabriel, M., Wheeler, W., & Thompson, R. F. Multiple-unit activity of the rabbit cerebral cortex during stimulus generalization of avoidance behavior . . . . .	313
Gaebelein, C. See Vardaris, R. M.	
Gattoni, R. C., & Izquierdo, I. Effect of chronic posttrial saline injections on maze performance	231
Githens, S. H., Hawkins, T. D., & Schrot, J. DRL schedule-induced alcohol ingestion . . . . .	397
Glass, D. C., Snyder, M. L., & Singer, J. E. Periodic and aperiodic noise: The safety-signal hypothesis and noise aftereffects . . . . .	361
Glazer, H. I. The effects of increased acetylcholine levels during feeding on subsequent acquisition and extinction of barpressing . . . . .	333
Grady, S. S. See Sackett, G. P.	
Grimsley, D. L. NaCl preference in the gerbil . .	93
Grimsley, D. L. Carotid ligation in the rat . . .	147
Hamilton, L. W., & Capobianco, S. Consumption of sodium chloride and lithium chloride in normal rats and in rats with septal lesions . .	213
Hamilton, L. W., & Katske, F. A. Rapid gastric ulceration in a modified two-way shuttlebox	188
Hamilton, L. W. See Worsham, E.	
Hargreaves, W. A. See Salamy, A.	
Harley, C. W., & Moody, F. L. An age related position reversal impairment in the rat . . . .	385
Harris, R. T. See Kilbey, M. M.	
Hawkins, T. D. See Githens, S. H.	
Henriksson, B. G. See Jarbe, T. U. C.	
Hertzler, D. R. See Weiss, C. S.	

- Hinderliter, C. F., & Misanin, J. R. A note on the visual cliff behavior of rats following ECS . . . 139
- Hoffman, H. S. See Chalmers, D. V.
- Hoffman, R. B. See Braud, W. G.
- Holdstock, T. L. Body weight and water consumption in rats . . . 21
- Holdstock, T. L., & Verschoor, G. J. Retention of maze learning following paradoxical sleep deprivation in rats . . . 29
- Holloway, F. A. See Parsons, O. A.
- Hunsicker, J. P., Nelson, T. C., & Reid, L. D. Two kinds of intracranial stimulation as counterconditioners of persisting avoidance in rats . . . 227
- Hunt, M. W. See Means, L. W.
- Ingle, D. Spontaneous shape discrimination by frogs during unconditioned escape behavior . . 71
- Ingle, D., & Sahagian, D. Solution of a spatial constancy problem by goldfish . . . 83
- Isaacson, R. L. See Woodruff, M. L.
- Izquierdo, I. See Gattoni, R. C.
- Jaffe, M. L. The effects of lesions in the ventromedial nucleus of the hypothalamus on behavioral contrast in rats . . . 191
- Järbe, T. U. C., & Henriksson, B. G. Vocalization: A characteristic cannabis-induced behavior in the rat? . . . 351
- Jennings, W. A. Estrus anorexia: Single-tube intake and barpress rate in the albino rat . . . 369
- Jones, R. See Pinel, J. P. J.
- Kamano, D. K. Effects of a stimulus associated with amobarbital administration on avoidance behavior . . . 321
- Katske, F. A. See Hamilton, L. W.
- Keyes, J. B. ECS perseveration following varying amounts of training . . . 2
- Keyes, J. B. The effect of ECS on the hippocampus . . . 357
- Keyes, J. B., & Dempsey, G. L. The effect of motivational states on ECS-induced perseveration . . . 133
- Kilbey, M. M., Moore, J. W., & Harris, R. T. Effects of  $\Delta$ -9-tetrahydrocannabinol on appetitive and aggressive-rewarded maze performance in the rat . . . 174
- King, J. M., & Cox, V. C. The effects of estrogens on food intake and body weight following ventromedial hypothalamic lesions . . . 261
- Klipec, W. D. See Lyons, J. (2)
- Kramarcy, N., Mikulka, P., & Freeman, F. The effects of dorsal hippocampal lesions on reinforcement shifts . . . 248
- Kristal, M. B., & Wampler, R. S. Food and water intake prior to parturition in the rat . . . 297
- Kristal, M. B., & Williams, C. L. The effects of strain, reproductive condition, and strain of placenta donor on placentophagia in nonpregnant mice . . . 354
- Kutscher, C. L. Food-deprivation polydipsia in gerbils: Lack of adaptive value and termination with carbohydrate feeding . . . 125
- Lahey, J. R. See Sanders, M. K.
- Lambe, D. R., & Erickson, C. J. Ovarian activity of female ring doves (*Streptopelia risoria*) exposed to marginal stimuli from males . . . 281
